

Wood and Stain Finishes

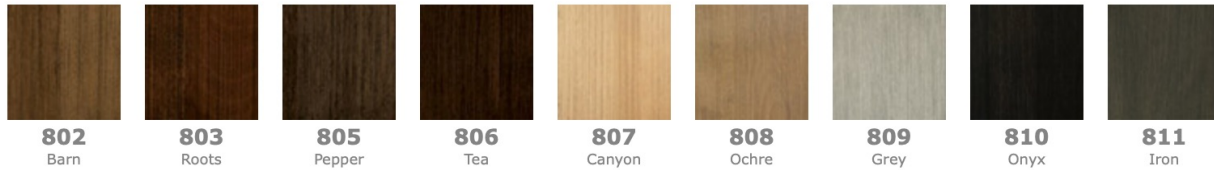

Birch - Stain Finish

Our stained finish is hand wiped to accentuate the natural wood grain.

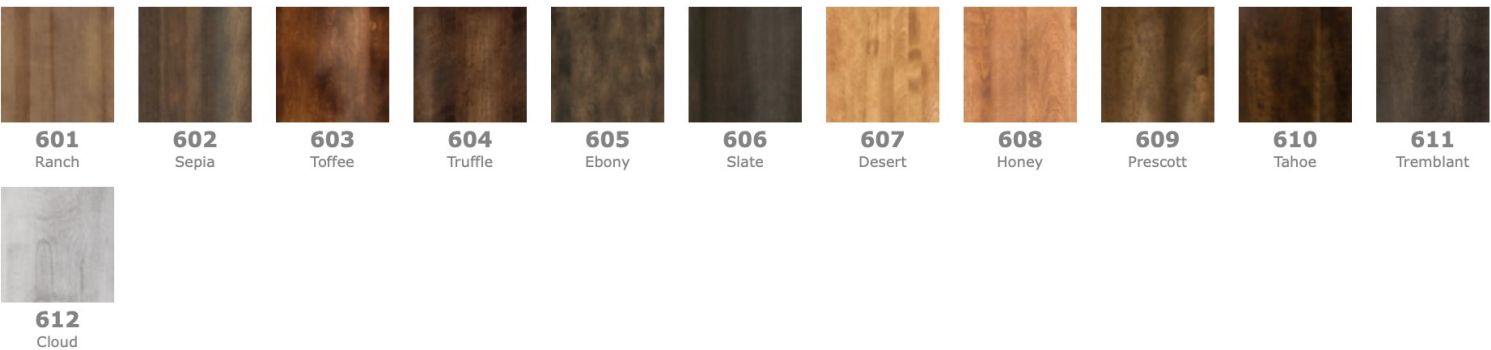

Birch - Wire Brushed Finish

This finish, which has 10% sheen, gives a unique vintage look. A gritty sand paper is used to create multiple parallel lines, all fine and shallow, to enhance the timeless beauty of solid wood. Not available on all pieces.

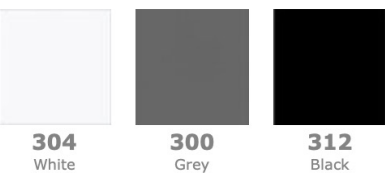

Birch - Chamois Finish

The Chamois finish creates a rich, smooth, shimmering feel without any distressing. It is the perfect finish to enhance different shades and patterns of wood grain.

Birch - Opaque Finish

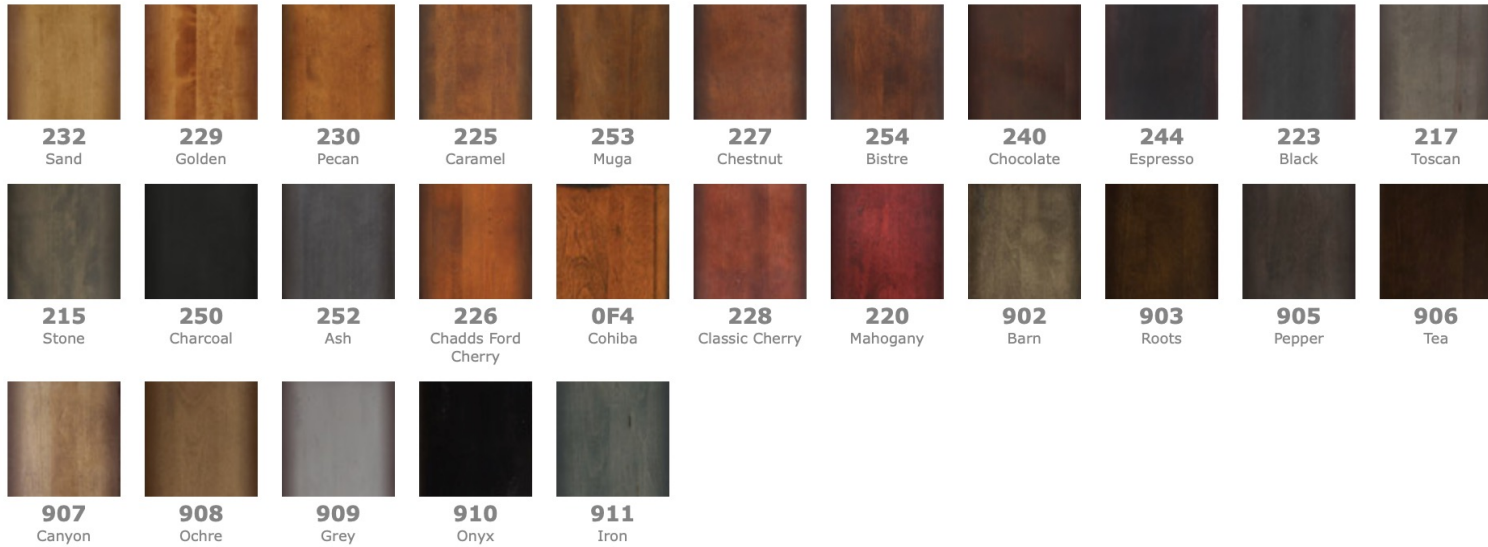

Wood and Stain Finishes

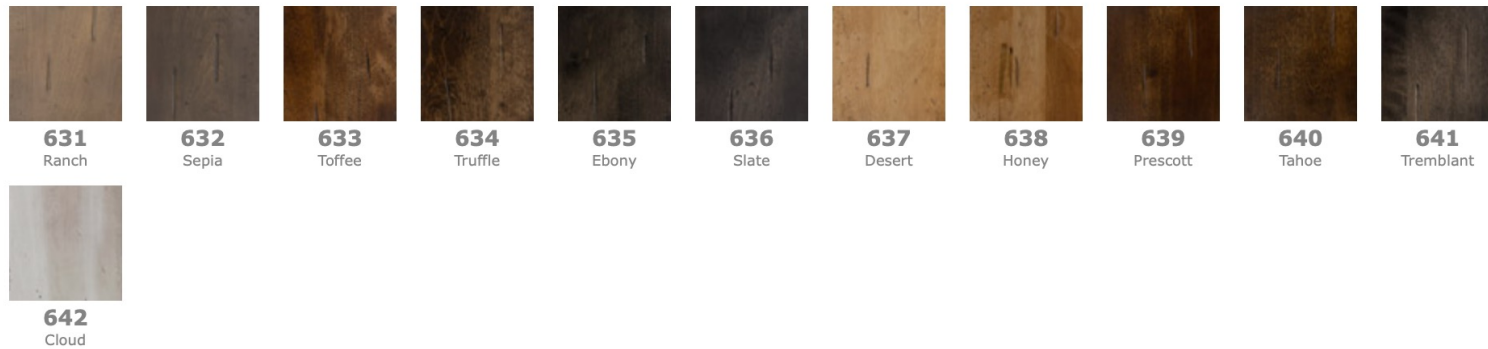

Birch - Rustic Finish

A hand wiped stain that represents the hardships of time with dispersed chain marks, wormholes, metal scoring, hand brushed stain and glazing on a knotted furniture top. The edges are worn, darkened and rasped.

Birch - Artisan Finish

The Artisan finish has the same characteristics of the stain rustic, but it is spray by water for the chamois effect and have no burnishing around the table edge.

Walnut - Stain Finish

Walnut is a wood of great beauty with colours ranging from light to dark brown, all streaked with black veins.
